Timber Lakes

2023 was a busy year at Timber Lakes!

The Lord has brought together a team of people who love Him and love to serve. We have seen the Lord's hand in every area of the camp.

In addition to church camps this past year we hosted several family reunions and numerous school groups. We received a lot of positive feedback from the campers and their staff. Many commented on how much they enjoy the relaxed family atmosphere.

This past year we have seen many improvements and a lot of hard work at the camp. Some examples of these improvements and changes are:

- A beautiful mural on the shower house wall.
- The pool beautiful resurfaced
- New ladders in the dorms

- Painted floors in the dorms
- New Laundry facilities
- Our gift shop is up and running
- Redecorating of several buildings
- 4 New kayaks
- 2 New pedal boats
- Our hiking trails cleared and mapped
- Landscaping in several areas
- Painting the inside of the shower houses

Please keep our camp in your prayers as we move forward in 2024. We are planning to add some cabins to our camp in order to accommodate our bigger camps. Our staff considers it a privilege to serve the Lord here at Timber Lakes. We look forward to watching the Lord work in 2024.
